

WEEKLY FOCUS

For videos, images, links and more visit our website at www.calmorejunior.co.uk 1p per copy

All our dreams can come true if we have the power to pursue them!

Dear Parents

We hope that you had a lovely bank holiday weekend despite the weather! Now that we are back to school the weather is beautiful & sunny! As the weather warms up, don't forget sun cream, sun hats and water bottles to keep your child safe in the sun.

Weekly Theme

Our theme this week is 'Peace & Unity.' At Calmore Junior School we promote our school as a family where we need to live in peace and harmony.

We respect each other, including the ideas and beliefs of others regardless of whether they are the same or different to our own.

Ways to promote peace & unity:

- Make a personal commitment to nonviolence.
- When you see someone in trouble, whether he or she is lost, confused, upset, or has fallen, don't act like you don't see the person – provide some help.
- Show a child how to achieve calmness through deep breathing.
- Show a child how to be kind to vulnerable people – the homeless, those with physical or cognitive disabilities, older people, and anyone else that appears different to the child.
- Speak out against prejudice and discrimination when you see it.
- When you feel angry, count to ten before saying anything.
- Look people in the eye and smile at others
- Respect others
- Be tolerant of the different beliefs and ideas of others
- Do something for someone else
- Don't hide from life. Have faith that there is still an abundance of good in this world.

Book of the Week

Our book of the week this week is Control Z by Andrew Norris and it is recommended by Miss Saunders. Alex is used to getting unusual birthday presents from his Godfather John - a pair of ferrets, or a Make Your Own Explosions Kit. But this year's present is something really different - a computer that takes you back to an earlier part of the day when you hit Ctrl-Z . . . Join Alex and his friend Callum as they discover the true results of making mistakes, with plenty of laughs and mayhem along the way!

Year 6 SATS

Thank you to those parents that came to the SATS meeting last week. Next Monday 9 May children will begin their SATS tests. Please make sure that your child is in on time EVERY day. If they are ill they can sit the test at 9.00 and then go home.

Also, please make sure that they get to bed early and eat a good breakfast each day. Good luck year 6-show them what you are made of!

Sports 4 Schools

We're very excited to be welcoming GB Olympic Diver Pete Waterfield to the school on **Wednesday, 25 May**. Pete has been representing Great Britain for over fifteen years travelling the globe. Pete returned back from the London 2012

Olympic Games with partner Tom Daley where they finished in 4th place in the 10m synchronised event. Pete will be leading a **sponsored fitness circuit with all pupils**, and will follow-up with a talk and question and answer session. The aim of the event is to **inspire the pupils** to take up sport generally, but just as importantly to encourage them to discover and then pursue their **passion in life**.

A sponsorship form will be coming out this Friday!
As the sponsorship form and online sponsorship page explain, much of the money that is raised will be used to buy **sports equipment** for the school, while also **supporting GB athletes (including Paralympic athletes)**. Thank you in anticipation of creating a terrific and memorable event.

Brainteaser

Last week's answer: Short.

This week's question:

Imagine you're in a room that is filling with water. There are no windows or doors. How do you get out?

Lisa Marshall – Headteacher
