Treat others the way you want to be treated

Dear Parents

Weekly Theme

Our weekly theme this week is respect and tolerance.

One of the British Values is 'mutual respect for and tolerance of those with different faiths and beliefs and for those without faiths.'

This is something that we hold very dear at Calmore Junior School which is why *Respect* is one of our school values as well.

There are many things wrong in our world and some of these things we cannot change. What we can do however is to do our bit. In our daily lives we need to respect each other and be tolerant of each other's ideas, beliefs and religions.

Ways to promote respect and tolerance in your child:

- Model tolerance and respect-they learn from you
- Teach them about new places, people & cultures
- Use respectful language with your child
- Answer your child's questions respectfully-it's okay to notice differences in people
- Don't accept disrespectful behaviour
- Foster self-esteem in your child-they must first respect themselves

Remembrance

On Friday we will respectfully remember those people that have died in war. During the day every child will make a carefully crafted poppy and write on it the name of a person in the local area that has previously died in war.

At 11.00am we will gather together as a school community to stop and respectfully think about these people.

Thank you to those people that have purchased poppies and other poppy items. All the proceeds from this sale will go to the British Legion.

Please can we remind you that the children can only wear the snap bands, wrist bands and bracelets at school until Friday this week.

Smoking

May we please remind parents, grandparents and visitors that our school is a **NO SMOKING** site.

This includes E cigarettes. Thank you!

Year 3&4 Football

Our year 3 and 4 footballers entered a competition last Friday and really did the school proud. Every Tuesday and Friday lunchtime they have been training hard for the last 6 weeks. They were up against some really tough competition and had to use all the skills that our sports coach Mr Brewster had taught them. In the end they won 1, drew 1 and lost 1. Unfortunately they just missed out on the chance to go through to the next stage.

Amazing! We think the future is bright for this team. Thank you to Mrs Cole and our parent drivers for helping out!

Book of the Week

Our book of the week this week is 'There's A Viking in my Bed and Other Stories' by Jeremy Strong and it is recommended by Mrs Clayton. Jeremy Strong is one of my favourite authors and certainly one worth looking at for Christmas presents as his books are hilarious.

After falling overboard from his longboat, Sigurd the Viking finds himself in modern-day Flotby – a small English seaside town. Finding refuge in the aptly named Viking Hotel, Siggy's attempts to embrace modern ways end in disaster. His attempt at romance is no better off as even the course of true love doesn't run smoothly when Siggy's involved!

Non uniform – Friday 11 November

Don't forget that this Friday is non-uniform for the Christmas Fayre.

- **Years 3 & 4 –Chocolate – all shapes & sizes**
- **Year 5- Full bottles - containing anything!**
- **Year 6- Toiletries- items to use in gift packs**

The CJSA have sent home a copy of their requests for other items they hope to receive – please take a look and send in whatever you can.

WE desperately need helpers for the Christmas Fayre or it just cannot go ahead (shame as it's a lovely community social event and a great fundraiser too).

Please pop into the school office if you can help either throughout the day to set up or during the fair itself

Children in Need - Friday 18 November

We are asking children to come in wearing something spotty for the day in exchange for a donation of a £1.00 or as much as you are able. Thank you in advance for your contributions.

Olifu Bikez Racer

We have an amazing Olifu Bikez Racer that we are raffling off through the school office. This bike retails at way over £100 and would make a perfect Christmas Present. We are selling box numbers available in the school office for only £1.00 and all proceeds go to school fund. When all numbers have been sold we will make the draw - So choose your lucky number fast!

Shoebboxes

New Forest Rotary Club came this morning to collect the shoeboxes from us. They asked us to express their thanks to all those that sent in a shoebox for the less fortunate children in our area.

Nits

We have had a bad outbreak of nits at school. Please can **ALL** children have their long hair tied up every day and can everyone please check their child's hair regularly along with other family members. This is the only way we can stamp it out.

Our Learning

Year 3 – This week in Year 3 we have been learning to divide by grouping and then some of us have moved onto the number line method.

In English this week we have been writing a diary from the perspective of a character from the story of The Musicians of Bremen. In our diary we have included conjunctions and some of us even used paragraphs!

In topic we have been completing our R.E community work on Jewish beliefs looking at the Torah and the Ten Commandments.

Next week we will be learning to understand what a fraction is, and how to find a fraction of a number in maths.

In English we will be changing our class story: The Musicians of Bremen and making it our own by changing the characters, setting and some events that happen in the story.

One very exciting event that is happening next week is that we are launching our new topic: Music Maestro! This is a science based topic all about sound. We will be taking part in lots of experiments and investigations into how sound works.

Flu vaccination letters have been sent home, please complete & return asap. Thank you.

Year 4 – This week, we have had our topic entry day. It was great fun. We dressed up like Anglo-Saxons and travelled back in time to 5th Century England - you should have seen us! We looked great. Thank you to parents for your support with costumes at home.

During the day, we were archaeologists, artists, jewellers and linguists - exploring artefacts, making Anglo Saxon brooches and crafting secret messages using the Anglo-Saxon runic alphabet - futhork.

Next week, we will begin really thinking about the Anglo-Saxons, exploring what life would have been like for the Anglo Saxons and thinking about one of their kings - Alfred the Great. Wondering what made him Great?

You'll have to ask us at our Exit point later this term.

We will also be learning about division, reading more of our Guided Reading text (Beowulf) and exploring the Pattern of 3. It sure is busy in Year 4...

Year 5 - What an exciting week for Year 5! Monday began with our 'Tomb Raiders' entry point. The children looked fantastic and enjoyed lots of different activities, including learning about hieroglyphics, making temples, making Egyptian jewellery and painting Egyptian Gods and Goddesses.

In literacy this week, we have been continuing to learn about our Egyptian myth – Isis and Osiris - and learning how to use descriptive vocabulary to make our writing more exciting. Next week, we will be planning and writing our own myths.

In maths, we have been using column addition and subtraction as written methods. Next week, we will be solving multi-stage addition and subtraction problems.

**** Look out for Bikeability letters!**

We need to find out your child's current ability on a bike and whether they will be able to bring in their own bike and helmet ready for our training next month. Please send back the slip as soon as possible. Thank you! **

Yr 5–Leeson House please keep up to date with instalments due at the end of each month! Thank you.

Year 6 - This week we have started a new unit of work in English: Hound of the Baskervilles. It began with a spectacular retelling of the famous story courtesy of our teachers. Holmes and Watson (Mr Darch and Miss Dunbar) uncovered a devious plot set in Dartmoor and apparently solved the mystery of a supernatural beast...or did they? We are now writing our own ending and one that involves a twist or two.

In maths, we have been continuing to look at fractions and have been using a new method of working called a bar model to help make sense of our work. It really is helping. In topic we have been learning about light and how it is we actually see things.

Today, we all made poppies in preparation for Remembrance Day and later this week we shall be helping other pupils in the school to do the same. 170 brave men and women from Totton and Eling died whilst serving our country in both World Wars and it is our intention to produce a poppy for each of them and remember them this Friday.
