Learning is not easy but it is worth it

Dear Parents

We hope that you had a lovely half term and managed to enjoy some family time. Now it's only six weeks until Easter!

Weekly Theme

Our weekly theme this week is Lent. Lent is a time of preparation for Easter, the Christian holiday that celebrates the resurrection of Jesus Christ, the son of God. Many Christians think of the forty days of Lent as an opportunity to change their daily lives and become as close to God as possible. Some people give something up for Lent e.g. chocolate-will you give up anything?

Year Group Blogs

On our website we have year group blogs. Go to <http://www.calmorejunior.co.uk/blogs> and click on your child's year group. Here you will find photos, links to websites, children's work, puzzles and much more. Check them out regularly to see what your child has been learning and find support/ideas with further learning. Recent additions are:

Year 3- A link to times tables games

Year 4- A link to a maths investigation

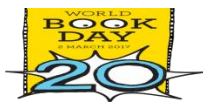

Year 5- Maths Problem of the week

Year 6- A link to help support their Shakespeare project

Check them out!

Governors

Before half term our governors chatted to some children about the new reading logs. The children spoke very positively about the new logs and told the governors that if they read every day they receive a raffle ticket to go into a draw to win a book and if they play the reading activity bingo on the back they receive a raffle ticket too. Get reading children.

World Book Day

Don't forget that **tomorrow** is World Book Day and children are asked to come to school dressed as their favourite book character.

Rock Challenge

HUGE CONGRATULATIONS to all the children that took part in the Rock Challenge event at The Southampton Guildhall before half term. Their portrayal of the story of Anne Frank moved many of the audience members to tears. The performance was truly stunning and as it came to an end you could have heard a pin drop in the auditorium-everyone was truly amazed by this fabulous, dramatic piece.

Thank you so much to all the staff and friends & family of staff who have worked so hard to rehearse, paint, sew costumes, order costumes, sort tickets etc We are SO lucky to have a staff team that all pull together for the benefit of your children. It simply could not happen without all their help. Thanks also to Mr Dickenson for doing the lighting-it looked amazing.

A special thanks must go to Miss Dunbar for creating this fabulous piece of dance. She has an amazing vision & knows how to make her ideas become a reality in such a professional way. We now look forward to the final in April. Go Calmore!

Check out our website under Latest News for more photos!

Brainteaser

Last week's solution: A doorbell
