"Mistakes are proof that you are trying"

Dear Parents

I would like to take this opportunity to thank you for all your support during this very busy term. There have been many highlights and here are just a few:

- Our two page spread in The Echo celebrating our 'good' Ofsted
- Year 3 Winter Warmers
- Rock Challenge-good luck for the fast approaching final
- Year 3&4 and year 5&6 athletics
- M&M live theatre performance
- Sponsored Run raising over £2,000
- Leeson House residential trip
- Live instrumental performance
- Giant Sing Up
- World Book Day
- Year 6 Globe Trip
- Comic Relief
- Puppet show

Our staff work really hard to make a rich and varied learning experience for your children so I would like to take this opportunity to thank them for all the extra that they do.

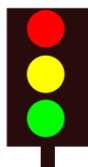

SATs

Just a reminder that the year 6 SATs tests are in the week beginning 8th May. It is absolutely essential that all children are in school that week or they will not get a result. To help, we will be organising breakfast in school for children so that they can be in nice and early and get themselves ready to do their best. Please support your child to complete their Easter revision homework during the holidays as every little bit helps. Also please return the reply slips for SATs week breakfast. ☺

Attendance

Our traffic light letters are coming home today. Well done to all the children who have green letters-you have, what is classed by government, as good attendance. If you have an amber or red letter then please work hard to improve your child's attendance. Whilst we understand there has been a lot of illness and that may well cause you to receive amber

letter, we need to remember that the children who have good attendance do the best at school. Those children who have achieved 100% this term will go into our Golden Nut Prize Draw. If your child has been in school every day but they are constantly late, they will not get recognition for their attendance!

Easter Assembly

We hope to see lots of you tomorrow at our Easter Assembly. The instrumentalists will start playing as people come in at 9.45 and then the assembly starts after that. If you can help walk down to the church then please pop into the office and let them know.

We have made it to the end of another term despite the many colds, coughs and bugs that have been around. May I take this opportunity to wish you all a happy, healthy Easter full of fun, laughter and chocolate ☺

Brainteaser

Last week's solution: How do you divide 20 oranges equally to 11 girls? No one gets more and no one gets less. All 11 girls should receive equal portions? Answer-juice them!

This week's teaser: There is a basket of 5 guavas. If you take away 3 guavas, how many guavas do you have?

Lisa Marshall – Headteacher

Assembly news

The following children were awarded

Head Teacher's Awards

Year 3: **Oliver & Noah**
 Year 4: **Faith & Lillie**
 Year 5: **Grace & Lincoln**
 Year 6: **Finn & Sofia**

Raffle:

Year 3: Lily-Grace & Holly

Year 4: Grace & Harry

Year 5: Jessica & Zac

Year 6: Marie & Scarlett

***Congratulations also to Michael & Jehoshaphat on
their Silver Reading awards!***

Our Learning

Year 3 This week in Maths we are learning how to subtract numbers mentally. We will be using mental strategies and numicon to help create pictures in our head. In English we are editing our hot writes as we can always improve our writing.

We are starting our Art topic, printing using fossils. We had an exciting trip to Stonehenge this week; look out for the photos on our year 3 blog!

We wish you all a wonderful Easter holiday. There will be no My Maths homework over Easter so enjoy the well-deserved break. Our new topic after Easter is The Romans.

Year 4 This week, we have been working hard on our Maths Assessment, showing our teachers what we have learned so far this year - and what we still have to work on to get us ready for Year 5!

We have also performed our Viking Assembly for Year 3 and our families, made Viking Vessels from mod-roc and tissue paper and written our very own set of instructions - telling a Viking warrior just what they need to do to reach Valhalla.

After the holiday, we will begin our unit of work on Southampton and the Titanic - so watch this space!!!

Year 5 In literacy this week, we have been completing the publishing of our discursive texts about whether aliens exist or not.

In maths, we have been finding fractions of money. In RE we have been learning about the Eucharist and the significance of the Last Supper in the Easter Story. After Easter, our new topic will be World War 2.

Year 6 Last week we completed our stories based on hidden worlds. It was good to write a complete story and the final pieces are really good.

In maths we have been looking at different topics within the subject.

Our classroom caterpillars are now safely tucked up in their cocoons and will be undergoing the incredible metamorphosis of changing into a butterfly. Hopefully they will hatch before Easter.

Reminders & Prompts:

Disco

The disco has been rescheduled for Thursday 11th May, tickets will be on sale after Easter.

School lunches Summer Term

The cost of a school meal will be rising to £2.15 per child from Monday 24 April onwards.

PE KITS FOR CHILDREN

Lots of children are expecting to do PE each week by borrowing kit from school.

We have a very, very limited amount of kit to borrow.

Children should come to school prepared with their PE Kit in school every day to cover all events and sports.

EASTER LUNCH TOMORROW!

Thursday 6 April

HC3s are offering an Easter Lunch £2.10 –

Roast Chicken, Stuffing, Mini Sausage & Gravy

or Vegetarian Quorn Burger & Mini Sausage

Roast Potatoes, Spring Cabbage & Carrots

Plus Easter Biscuit.

READING CAFÉ @ INFANTS ON THURS 6TH APRIL

And Finally ...

*Enjoy a lovely Easter break, see everyone at 8.30am
on Monday 24th April ☺*
